

## Title of abstract

First Author<sup>1,\*</sup>, Second Author<sup>2</sup>

<sup>1</sup>University, Department, City, Country; <sup>2</sup>Institution, City, Country; \* corresponding author email: name@domain

### Abstract

This template has been prepared for authors of contributions to be presented at the conference. In your research abstract briefly describe your research findings, up to 0.5 page. Give a summary of the most relevant contributions of your research. Indicate your objective, method, main results, and conclusion. Emphasise novelty of findings. If this is applied research explain how it can be used in the practice. If this is fundamental research explain how it can be useful in planning future research stages.

### Keywords

please; provide; up to five; keywords; which reflect the content of your contribution; use semicolons as keyword separators

### Originality declaration

By submitting this abstract to the conference the authors declare it is original material not published elsewhere.
